

Personal information

Work experience

Dates July 2014 to date

Occupation or position held **Gynecologic Oncologist**

Name and address of employer Gynecologist oncologist specialized in gynecological surgery of high complexity for gynecological cancer and benign pathology of female genital organs in Valencia, Spain.

Work experience

Dates Sept, 2017 to date

Occupation or position held **Professor**

Main activities and responsibilities Giving lessons of gynecology to students of 5th year at school of medicine, CEU Cardenal Herrera University.

Name and address of employer CEU Cardenal Herrera University, School of Medicine, Obstetrics and Gynecology, Valencia, Spain

Type of business or sector Educational

Work experience

Dates September, 2014 to July, 2018

Occupation or position held **Head of Gynecologic Department**

Main activities and responsibilities

- Developing the Gynecologic Oncology Unit with a multidisciplinary approach working in conjunction with Medical Oncologists, General Surgeons, Radiation Oncologists, Radiologists, & Pathologists.
- Developing radical surgery in women with advanced stage ovarian cancer
- Execution of international phase III clinical trials
- Training fellows in gynecological oncology

Name and address of employer Valencian Institute of Oncology (IVO), Valencia, Spain

Type of business or sector Hospital, Health Care

Work experience

Dates May, 2017 to Dec 2018

Occupation or position held **Coordinator of the oncology group**

Main activities and responsibilities To develop clinical trials and education in gynecology oncology among gynecologists of the Valencian State.

Name and address of employer Obstetrics and Gynecology Society of the Valencian State

Type of business or sector Scientific society

Work experience

Dates June, 2011 to Sept 2014

Occupation or position held **Assistant Professor**

Main activities and responsibilities	Giving lessons of women cancer to students of 4th year at school of medicine, CEU San Pablo University.
Name and address of employer	San Pau CEU University, School of Medicine, Obstetrics and Gynecology, Madrid Spain
Type of business or sector	Educational
Work experience	
Dates	January, 2010 to June, 2014
Occupation or position held	Head, Gynecologic Oncology Department
Main activities and responsibilities	<ul style="list-style-type: none"> -Developing the Gynecologic Oncology Unit with a multidisciplinary approach working in conjunction with Medical Oncologists, General Surgeons, Radiation Oncologists, Radiologists, & Pathologists. -Developing radical surgery in women with advanced stage ovarian cancer -Execution of international phase III clinical trials -Training fellows in gynecological oncology
Name and address of employer	HM Hospitales. Clara Campal Comprehensive Cancer Center (CIOCC), Madrid, Spain
Type of business or sector	Hospital, Health Care
Education and training	
Dates	September, 2012 to June, 2014
Title of qualification awarded	MBA (Master in Business Administration) Human Resource Management
Name and type of organization providing education and training	ESERP School of Business and Social Sciences, Rey Juan Carlos University, Madrid, Spain.
Education and training	
Dates	June, 2007 to November, 2012
Title of qualification awarded	Doctor in Medicine
Name and type of organization providing education and training	University of Buenos Aires, Buenos Aires, Argentina. Qualification: Outstanding - <i>summa cum laude</i>
Education and training	
Dates	December, 2011
Title of qualification awarded	Master on Research Methodology
Name and type of organization providing education and training	Centro Rosarino de Estudios Perinatales (CREP), Rosario Argentina. Final evaluation approved. Total hours: 120
Education and training	
Dates	October, 2010
Title of qualification awarded	Console robotic surgeon
Name and type of organization providing education and training	da Vinci Surgical system off-site training program for a console surgeon
Education and training	
Dates	July, 2008 to December, 2009
Title of qualification awarded	Postdoctoral Fellowship
Name and type of organization providing education and training	<ul style="list-style-type: none"> -Cell and Cancer Biology Branch (Principal Investigator: Michael Birrer, MD, PhD) - Division of Cancer Treatment and Diagnosis, (Head: E. Trimble, MD, MPH) National Cancer Institute (NCI), National Institute of Health (NIH), Bethesda, MD, USA.

Education and training

Dates June 2006 to June, 2008

Title of qualification awarded **Fellowship Gynecologic Oncology**

Name and type of organization providing education and training Gynecology Department, European Institute of Oncology, Milan, Italy. (Division Director: A. Maggioni, MD)

Education and training

Dates June, 2005 to June, 2006

Title of qualification awarded Chief Resident in Obstetrics and Gynecology

Name and type of organization providing education and training Obstetrics and Gynecology Department, Italian Hospital of Buenos Aires, Argentina.

Education and training

Dates October, 2005

Title of qualification awarded Obstetrics and Gynecology: board certified (written and oral)

Name and type of organization providing education and training Degree granted by the board of evaluation of the "Society of Obstetrics and Gynecology of Buenos Aires". Argentina

Education and training

Dates June, 2001 to June 2005

Title of qualification awarded Residency in Obstetrician and Gynecologists

Name and type of organization providing education and training Obstetrics and Gynecology Departments, Hospital Italiano de Buenos Aires, Argentina.

Education and training

Dates 2005

Title of qualification awarded Score: 50 (Medium Score by year: 46-54)

Name and type of organization providing education and training ACOG (US - American College of Obstetric & Gynecology) CREOG-Examination

Education and training

Dates April, 2003 to November, 2003

Title of qualification awarded Annual Course on Pathology of the Lower Genital Tract and Colposcopy: board certified (written and practical)

Name and type of organization providing education and training Argentinian Society of Lower genital tract and colposcopy.

Education and training

Dates March, 1995 to December, 2000

Title of qualification awarded Medical School. Qualification: 8.56/10

Name and type of organization providing education and training Catholic University of Córdoba, Argentina

Education and training*

Dates March, 1996 to December, 2000

Title of qualification awarded

Cadaver Dissection

Name and type of organization
providing education and training

Chair of Normal Anatomy, School of Medicine. Catholic University of Córdoba, Argentina
